Overview

The V7 4-Port High Speed USB Hub allows you to connect up to 4 peripherals to your computer such as: keyboards, mice, card readers, scanners, external hard drives and more. Its high-speed data transfer rate allows for quick file transfers for digital cameras, digital camcorders and portable MP3 players. The Plug and Play connectivity makes set up easy with no drivers required. Plus its compact size makes it easy to transport and carry with you when traveling.
